

Strongvines paper samples program

We know just how important it is to get the proper paper for the proper job, so we have taken the steps to make your ideas and requests a reality. We would like to send you a promotional sample set of some of our personal favorites, along with our monthly promotion. The only thing we ask is for your contact information, and a small description letting us know you would like a paper sample. We will contact you for verifications and have your sample sent out the next day. If you would like we can also come directly to your place of business with hundreds of small samples for you to look through... remember all we ask is that you inform us of your interests.

Damtar The leader in paper and their commitment to you.

Behind the Domtar name lies a promise of accessibility, responsiveness and professionalism in all that we do. This promise equally extends to the Domtar owned paper merchants – **Buntin Reid**, JBR La Maison du Papier, The Paper House, RIS Paper and Johnston Paper. With these shared values in mind we have decided to gather all of the Domtar Merchants under a single banner and umbrella name: **Domtar Distribution Group**.
